FIDELITY**Ace-Telcom**

Now you can choose telephone products in the same way as you choose all your other household items. You buy your telephones outright and there are NO rental charges. Of course, you will continue to pay British Telecom for your first telephone and telephone service, but you can buy all your extension 'phones.'

All Argos telephones are fully approved for use with British Telecom systems. They plug straight into the new style B.T. jack-socket.

What if you don't have the new style British Telecom jack-sockets? Simply telephone your local B.T. sales office and they will arrange for installation. They will convert all your existing telephone connection points to the new jack-socket system for a small charge.

Remember, when you buy your 'phone, you pay no rental charges.

1. Fidelity CRP100 Clock Radio Telephone. Telephone features: push button dialling, last number re-dial. Radio automatically switches off as soon as phone is picked up. Clock/radio features: LW/MW and VHF wavebands. Slide volume control. Push buttons for alarm off, sleep and time/alarm set. 12 hour red LED clock display with auto-dimmer and a.m./p.m. indication. Cat. No. 550/1023

Our Price £69.99

2. ACE-Telecom XL768/50 Deluxe Telephone and Autodialler. 50 memories: will remember up to 50 telephone numbers and 12 of the most commonly dialled numbers can be recalled at the touch of a button. Last number re-dial: the phone remembers the last number dialled even when not stored in the memory and will re-dial that number at the touch of a button. No need to repeatedly re-dial an engaged number. Hands free dialling: allows you to dial and listen through the built-in speaker for the called party to answer, only then need you pick up the handset. Red emergency key: this can be programmed to store any number, usually 999, but this can be changed easily and quickly. Invaluable for the young, elderly or infirm to summon assistance quickly. Cat. No. 550/1054
